

30 January 1958

ANNOUNCEMENTS:

1. The change in the security classification from Secret to Confidential of the designation of a particular individual with a single Subcommittee or Working Group of the EIC was approved by interim action on 29 January 1958 (See EIC-D-79/2).

2. EIC-R14-S4 is now under preparation and will be examined by the Working Group in the near future.

NOTES FOR AD/RR:

1. Mr. Holmes of Army may raise a question as to the advisability of updating EIC-R-5, "The Economic Importance of the Resources of Selected Areas to the US and Other Free World Countries". He may ask that this question be made an agenda item for the next EIC meeting.

2. Two EIC members have asked when the EIC is to consider the Air Force external research projects coming up for review (EIC-D-271). You may want to comment on this.
